

TRAINING OPPORTUNITIES

BE THE FUTURE OF GREEN INFRASTRUCTURE

Become an NGICP approved trainer

The Water Environment Federation invites you to become an approved trainer in the National Green Infrastructure Certification program (NGICP). This workshop, is being held in conjunction with the 2018 International LID Conference in Nashville, TN during August 11-13, 2018.

Help meet the certification training needs of NGICP partners, or develop your own licensed, training program.

Cost

The cost of this training is \$1,500 (including course material and training curriculum). Once you're ready to train, a training license is only \$7,500 and good for two years.

Dates

Saturday, August 11, 8 am - 5 pm CDT

Sunday, August 12, 8 am - 5 pm CDT

Monday, August 13, 8 am - Noon CDT

Training Location

JW Marriott-Nashville (Bristol Room)

201 8th Ave S, Nashville, TN 37203

Application Deadline

August 1, 2018

QUALIFICATIONS TO APPLY FOR TRAINING

- Direct experience in stormwater green infrastructure (GI) construction, inspection, or maintenance
- Experience as a trainer for hands-on, adult learning courses
- Minimum of a bachelor of science degree in water resource management or environmental science

SUPPORT CERTIFICATIONS AS AN NGICP-APPROVED TRAINER

- National certification creates a long-term pathway for living wage jobs across the United States.
- National certification promotes GI as an environmental and economical strategy for stormwater management.
- National certification supports the development of a proficient green workforce.
- All approved trainers will be listed on the NGICP.org site.
